### PATTERN STITCHES

**Stockinette stitch (St st)**

### SPECIAL TECHNIQUE

**I-Cord:** On a dpn, cast on 3 sts; **DO NOT TURN.** \*Slide sts to the opposite end of the needle and knit them, pulling yarn **firmly** behind sts; rep from \* to desired length. After a few rows, you will see that you are knitting a tiny tube; give it a gentle tug now and then to adjust any loose sts. Bind off all sts, leaving approx 12" tail for finishing.

### TIES

Work **seven** 3-st I-Cord Ties as follows:

**Lariat:** 2 Ties 49" long, 1 Tie each 41", 43", and 54" long;

**Flowers:** 2 Ties 19" long.

**NOTE:** Leave tail 6" long at cast-on and bound-off ends for finishing.

### FINISHING

#### Flowers

With each Flower Tie, make 5 even loops and sew loops together at center of Flower.

#### Lariat

Mark center of each Lariat Tie. Lay Ties on flat surface, with longest Tie in center, next longest on either side of longest, and remaining ties on outsides. Line up center points. Mark 9" to either side of center point; remove center markers. Sew Ties together at markers; sew one Flower at each seam. Sew beads or buttons to each end of each Tie, using tails. Weave in ends.
